

WILL YOU BE A VOLUNTEER?

It is possible that we will not be able to board all customers holding confirmed tickets for this flight. We are looking for customers who are willing to give up their confirmed seat reservation on today's flight in exchange for a Future Travel Credit which may be applied to the purchase of air transportation on Spirit Airlines.

If you volunteer to give up your seat and we use your seat, we will confirm you on the next available Spirit flight to your destination. In addition, you will receive a Spirit Future Travel Credit equal to a round trip flight.

See the reverse side for Future Travel Credit Terms and Conditions

To Volunteer, simply complete the name and address information below, sign your name on the reverse side, and present this form to the Spirit check-in agent. Advise the agent that you wish to be a volunteer. Volunteers will be selected only if necessary and may not be selected in the order received. We will hold your assigned seat until we are certain it will be needed. If your seat is needed, the agent will confirm alternate transportation and provide you with a Future Travel Credit as soon as all passengers are boarded. Thank you for your consideration in volunteering to delay your trip!
